Footprints From The Past

Finding out about the past

Autumn 1 & Autumn 2

Footprints From the Past

Dinosaurs lived millions of years ago – long before people lived on Earth. No one has ever seen a dinosaur so how do we know anything about them? Fossil evidence and dinosaur bones provide our only clues.

Like detectives, we will try to discover what dinosaurs looked like, what they ate and what might have happened to them in the end.

ipc 2017-2021

Saving The World

Rainforests

Spring 1 & Spring 2

Saving The World

Rainforests once covered 14% of our world's surface. Now they cover less than 5%. Every second, an area of the rainforest the size of a football field is being destroyed. Some scientists believe that, if we lose our rainforests, we might put our whole planet at risk. What will we do to help save the rainforest?

Gateways To The World

Inventions and development

Summer 1

Gateways To The World

Everyday millions of people take to the skies, making journeys in airplanes. Air travel helps to connect people around the world.

IPC: Curriculum Units – Milepost 2

Summer 2

Fashion

From the clothes that we wear to the groups that we belong to, fashion is about how we want others to view us and think about us. It's also about our tastes – the things that we like and we don't like. By learning about fashion, we are learning about people and society, and the things that influence how we, as groups and individuals, present ourselves – to our friends, family and communities.

Year 4: IPC units

Autumn 1

Brainwave

Our brain is special because we can use it to learn lots of new and different things every day, enabling us to gain the knowledge, skills and understanding that we will need to become successful adults. By finding out more about how we learn, and how we can improve the way that we learn, we will be better equipped for meeting the many challenges ahead of us.

Autumn 1

They Made a Difference

Some people have made such a big difference in the world that their influence on our lives can still be felt today. From scientists to sports people, from politicians to musicians, from all backgrounds, countries, races and religions there are people whose ideas or achievements have singled them out from others.

Explain to the children that, together, you are going to learn about significant people who have touched our lives in some way.

Temples, Tombs And Treasures

Past civilisations

Autumn 2

Temples, Tombs And Treasures

The people who helped create the first great civilisations were not unlike you and me. Today we can learn a lot about these people and their way of life through the things they left behind – from everyday objects to magnificent and rare treasures.

ipc 2017-2021

Explorers And Adventurers

Discovering the world

Spring 1 & Spring 2

Explorers And Adventurers

Do you love discovering new places? Yes? Well you might just be an explorer. Explorers are people who travel to new places in the world and discover new things that they didn't know existed. So much of what we know today about our world is because we have been explorers in the past. Being an explorer is exciting but scary at the same time. Could you be an explorer? Let's find out.

ipc 2017-2021

Chocolate

Globalisation and economics

Summer 1

Chocolate

Wouldn't it be amazing if chocolate grew on trees? Well, it does! Wouldn't it be amazing if I said we were going to make some chocolate? Well, we are! And we're going to discover even more amazing things about chocolate...

IPC: Curriculum Units – Milepost 2

Summer 1

Different Places, Similar Lives

People lead different lives. Even people in the same country, the same town or the same street can have different lifestyles. But they can have things in common, too – they can both like the same food or football team! We are going to find out about things that make us different and things that make us the same.
