

## **What is School Sport Funding?**

The government is providing additional for academic years to improve provision of physical education and sport in primary schools. The funding is provided jointly by the Departments of Education, Health and Culture, Media and Sport. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. This means that schools should use the premium to:

- Develop or add to the PE and sport activities that the school already offers
- Make improvements now that will benefit pupils joining the school in future years.

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years

## **How Stewart Fleming spends the Sports Premium funding.**

The schools ethos of “...and the main thing is learning” extends to our belief in the development and teaching of sport and physical activity for all children regardless of ability. We make best use of resources to enhance PE and sport provision in order to raise participation and achievement for all pupils.

We are always developing our Sports Premium plan to raise standards and always focus on:

- Children benefiting regardless of sporting ability.
- The specialist PE teacher has access to training opportunities and continued professional development.
- Updating and improving resources
- Increasing the amount of competitive sport our children participate in.
- Increasing physical participation for targeted groups of children.

- For 2022-23 we have been granted

£18,483.60

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p><b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b></p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2022.</p> <p>Please see note above</p>	69%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	37%
<p><b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b></p>	69%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	Yes
