# Welcome to Stewart Fleming Primary School

INNOVATE - NURTURE - GROW

Stewart Fleming is an Outstanding school (Ofsted 2016), offering a caring and cohesive community with high expectations for all our children. We provide a unique learning environment which encourages our children to explore, discover and question through a range of exciting opportunities. Our dedicated and inspirational staff provide a safe and stimulating learning environment which reflects our vision and culture. The support of our parents and carers is paramount. We promote mutual respect whilst nurturing hearts and minds, and together we can ensure our children achieve their very best.

Children enjoy and benefit from our excellent facilities. Specialist teaching is given in music, art, PE and computing skills with laptops and iPads provided. The school is nearing the conclusion of a major rebuild. We have a newly refurbished EYFS area complete with mud kitchen and reading cave; above the EYFS block is a new, large, rooftop sports facility. Under construction is a 360m<sup>2</sup> assembly hall which pupils will use for school theatre productions and PE. The rooftop will incorporate a new playground and a four-lane sprint track.

Stewart Fleming Primary School collaborates with both the local community and our family of schools across The Pioneer Academy. Strong and effective partnerships are an essential component to enrich our children's experiences.

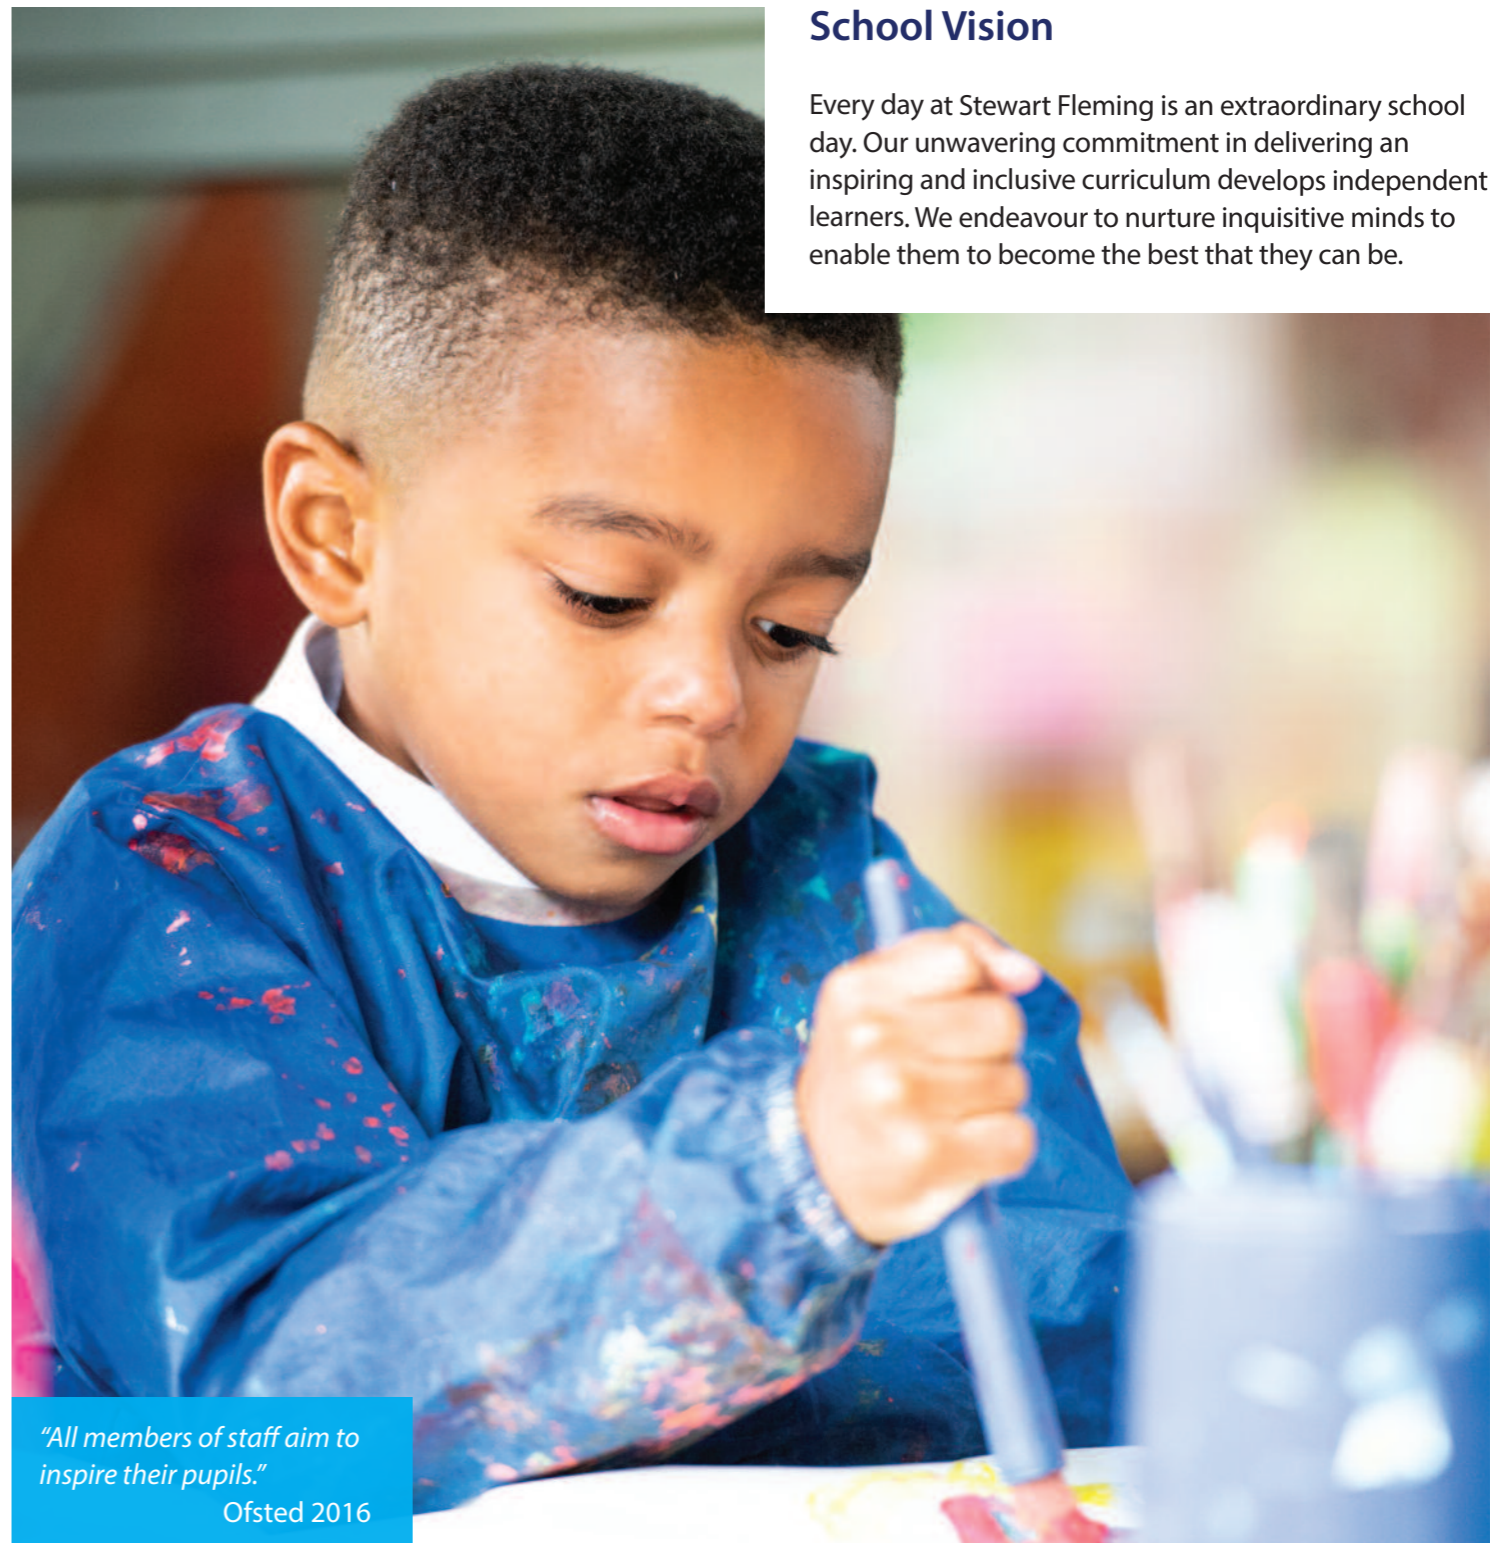

Call us or visit our website and twitter page for more information about Stewart Fleming, the staff and the many activities that the children enjoy through our curriculum and extra-curricular activities.

## Our Mantra

Pioneer **RACES** to success: **P-RACES**

This is our mantra; it represents a proven set of guiding principles which all TPA members are expected to uphold. This helps ensure that all our schools continue to improve and offer your children the very best education.

### Positivity

Staff have a responsibility to be positive in their relationships with pupils and supportive of each other.

### Rigour

We have a responsibility to ensure every moment a child is in our school will be spent productively. Through thorough use of evidence, we will enable all children to make excellent progress.

### Aspiration

Our motto is *"... and the main thing is learning."* All members of staff aim to promote an extraordinary school day to develop independence and creativity.

### Commitment

We put children first.

### Energy

Staff are prepared to go the extra mile to provide the best possible education for their pupils. Our aim should always be to provide for the pupils of our school what we would want for our own children.

### Standards

We will maintain a relentless focus on raising standards of achievement so that all pupils have opportunities to achieve their full potential. We expect all staff to maintain the highest professional standards at all times.

*"Pupils are highly motivated to work hard and perform to the best of their ability."*  
Ofsted 2016

*"Pupils discuss and debate issues in a considered way, showing respect for others' ideas and points of view."*  
Ofsted 2016

*"Expectations of teaching and of pupils' outcomes are exceptionally high."*  
Ofsted 2016
