

Year 4 Homework Menu

Spring 1

Compulsory: WALT: explore how to use different materials to create a collage

This term our topic is 'Land, Sea and Sky'. For your homework we would like you to create a world map. To do this you need to draw and cut round a dinner plate on a piece of card/paper and then decorate it as you wish, showing the different land and water masses! We are looking for colourful, creative maps to hang around the classroom! You could use newspaper, crepe paper, mosaic, tissue paper.

Challenge: create an evaluation of what you could do to improve your creation.

Completed on:

French - WALT: create a profile of a pet in French

In our French this term we will be focusing on animals, specifically our pets. For your homework we would like you to pick an animal / pet and describe it. Could you draw a picture and label it?

How old are they?

What animal is it?

Can you add more details based on our past topics?

Completed on:

English - WALT: understand how to use inverted commas

One of our focuses this half term is inverted commas. For your homework we would like you to write an adventure story where there is a significant amount of dialogue. Make sure you use inverted commas correctly.

Use ! in your speech

Use ! and ? in your speech

Write a conversation between two speakers

Completed on:

English - WALT: understand how to use a range of descriptive techniques

Pretend you are in a boat out at sea. Describe the setting around you using a range of descriptive techniques! Think about what you can see, hear, smell, touch and taste whilst you are on this voyage.

Use similes

Use similes and alliteration

Use personification

Completed on:

Maths - WALT: create a multiplication poster

We are going to be completing our Multiplication Tables Check. It is important to keep practising your times tables! Please create a multiplication poster about the different times tables that you know.

Describe 2 of your times tables.

Describe 4 of your times tables.

Describe 6 of your times tables.

Completed on:

Compulsory: Maths TTRS - WALT: apply understanding of multiplication

Log in to Times Table Rock Stars and complete **3 sound checks, every week.**

The Garage option on Times Table Rock Stars is also a great way to practise your multiplications. Remember to practise the times tables that you struggle with, not just the ones that you find easy!

Completed on:

Science - WALT: investigate how animals adapt to their habitats

Pick a water animal of your choice and research how it has evolved to live in its surroundings. For example: Does it have fins? How do fins help the animal to live in their habitat?

Create a poster to show this information.

Challenge: Can you write a paragraph explaining multiple adaptations.

Completed on:

PE - WALT: investigate sporting rules

Pick your favourite sport and create a guide on how to play it.

Explain the rules of the sport, how it is played, what you need to wear to play the sport etc.

Use pictures or drawings to help make your ideas pop!

Use varied sentence openers to inform.

Give some handy top tips!

Completed on:

ART - WALT: explore creating landscapes

Explore artists who are famous for their landscapes. Some artists work might include land, sea and sky. You can look at traditional artists and contemporary artists. How does their work look different? Create your own landscape using inspiration of an artist and their work.

Challenge: Describe what style your work is similar to and why.

Completed on:

Computing - WALT: identify unreliable information online

Your homework task is to describe fake news.

You can:

Create a fake news headline and picture.

Draw and write your own fake news website.

Create your own fake news website and show the signs that it is unreliable.

Challenge: Can you give advice to people who struggle to spot fake news online?

Completed on:

Please complete and return one piece of homework from the menu above **every Wednesday**. Your books will be returned on Friday. **Please record the date and WALT.**
Any homework marked **compulsory** must be completed first.
