

Year 3 Homework Menu Spring 2

Compulsory (complete by 25/3/26)

Create a presentation around the life and works of Charles Darwin. It could be a poster, a model or even a PowerPoint! It is up to you how you want to present your work. Try to include pictures and facts to make your presentation pop!

Challenge: Think about the impact Charles Darwin has had on our lives today. What would be different if he hadn't existed?

Completed on:

Experience

WALT: explore geographical features of an area

Go on a walk. Document your journey using written description and pictures of the geographical features that you see. (trees, path, bridge, hills, building)

Completed on:

English

WALT: use the features of diary entry

Imagine that you have gone on an adventure and for one week you have been able to live on a tropical island. Imagine all of the things you would see, hear, taste, smell and touch. Write a diary entry detailing your time on this island!

Use first person
Feelings and emotions
Informal language

Completed on:

English

WALT: use instructional writing techniques

Write instructions on how to use scales to measure something, like weighing fruit or measuring liquid. Include what you need, what steps you need to follow, how to read the scales and a diagram.

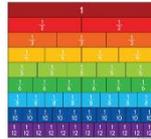

Use organisational features
Use formal tone
Use adverbs and prepositions

Completed on:

Maths

WALT: present fractions.

Use your knowledge of fractions to create a fraction wall. This will help you with identifying equivalent fractions and adding together different amounts. Use strips of paper or you can draw it with colours.

Completed on:

Maths

WALT: practise our times tables

Log in to your Times Table Rock Stars account and practise your times tables. You can take part in Jamming, Gig, Studio or Soundcheck! Remember to practise your knowledge as well as your speed.

Get yourself a TTRS title!

Completed on:

Geography

WALT: represent information clearly

Choose a country on a continent you have never been to and research the key geographical features of that country (for example: mountains, rivers, climate).

Challenge: Compare what you've learned to the geographical features of the UK.

Completed on:

PE

WALT: reflect on our fitness

Create an information sheet on how to safely complete a warm-up routine. Think about the purpose of a warm-up and the importance of stretching.

Completed on:

Art

WALT: practise the skills of pattern and repeat

Fabrics are created by textile designers. Explore the use of pattern and repeat in your work. We will be studying a range of different types of fabric design from around the world, you could research a country that interests you and explore the type of fabric design native to that country.

Completed on:

DT

WALT: design a map

Choose one of the following islands and create a map of it: Malta, Isla Santa Cruz, Tioman. Include the different geographical features that are on the island.
