Dear Parent/Carers,

Year Six Homework

For the remainder of the year, the children in Year 6 will be set homework for English and Maths online using their SATs Boot camp login. This is to go over any curriculum objectives that your child may need support on. Please feel free to revise any topics and do not hesitate to contact the Year 6 team if you need support with accessing or completing the homework.

To log on please go to the following link:

www.yearsix.co.uk

Your child's username and password has been given out, however please contact the Year 6 team if you require it again.

On the main dashboard please click revise where you will see the screen below. Your child's teacher will tell your child which sections to revise each week. This will be a combination of maths and grammar.

The screenshot shows the SATs Boot Camp dashboard with two main sections: 'maths boot camp' and 'literacy boot camp'. Each section has a grid of topic buttons. Below the grids, there is a section titled '2. Practice Questions' with two buttons: 'Test yourself' and 'Past SATs Questions'.

2. Practice Questions

Test yourself Past SATs Questions

After you have watched the videos, please click on 'test yourself' where the children will be able to assess how much they now know. Your child's class teacher can see which areas they have revised and where they may need further support. We encourage the children to practise past SATs questions in order to become familiar with the wording and types of questions that they may see in their assessments.

Please ensure that your child is reading 3 times a week and that this is recorded in their Reading Record. Reading Records will be checked on a Wednesday just like the homework.

Thank you for your continued support.
