Monday 13th April 2026

Dear Parents/carers,

We hope you had an enjoyable and restful Easter break. This term we are exploring our new topic of '**All Aboard**'. This will be a history and geography based topic with some elements of Design Technology. We will be looking at the development of the railways, travelling in Victorian times and considering why travelling on the railways would be a great experience.

In Maths, we'll be:

- Exploring money through converting between pounds and pence, calculation and estimation.
- Learning about time on an analogue and digital clock.
- Practicing our multiplications in preparation for our MTC.

In English, we'll be:

- Using dialogue to convey character.
- Using a range of descriptive devices and figurative language in different types of writing.
- Using a range of sentence structures and interesting sentence openers.
- Creating long-form written work including an explanatory text, poetry and an adventure narrative.

In History, we'll be:

- Exploring the development of the railways.
- Learning about navvies.
- Considering how technology has impacted railways.

In Geography we'll be:

- Researching the Trans-Siberian Railway.
- Imagining how it would feel to ride the Rocky Mountaineer.
- Planning journeys.

In Art, we'll be:

- Experimenting with a range of materials, tools and techniques.
- Understanding the features of a landscape painting.
- Learning about positive graffiti.

In Computing our topic is '**Scratch Programming**', where we will:

- Develop the use of count-controlled loops and use infinite loops within algorithms.
- Develop a project with two or more loops running.
- Design and create a project that includes repetition.
- Evaluate and adapt projects and tinker with code for a specific purpose.

In French we'll be:

- Learning the names of food and drink.
- Understanding the correct pronouns for each item.
- Practicing ordering food and drink in a café.

In Music we'll be:

- Composing tunes in groups.
- Developing our rhythm and awareness of musical notation.
- Using a range of instruments.

In PE we'll be:

- Exploring multi-sports.
- Learning about the rules and skills of different sports.
- Looking at different techniques used in a variety of sports.

All of the work we are going to do has been specially written to help your child reach our learning goals. Children will be reading, researching, writing, illustrating, working on their own and working in groups. We will be checking to see how well your child has learned through particular activities and asking children to explain their work, perhaps to you.

We already know the interest you take in your child's work. If you can, please discuss with your child the work they have done as the term progresses and let them teach you.

Yours sincerely,

Ms King, Miss Grover, Mrs Flint-Virtue and Mr Smith
